

IN THE DRAWINGS

It is proposed to amend Figures 1 and 4 to add reference numerals to Figure 1, in order to make this figure correspond to the specification and to delete reference numerals and drawing elements from Figure 4 that do not correspond to the specification. The proposed amendment to the figures is shown in the color red on the attached marked-up copy. An informal full set of the amended drawing sheets is also attached. Revised formal Drawings will be submitted when the Examiner has approved the amendment to the Drawings.
